Dear County & Township Assessor:

The Indiana County Assessor Association dues for **2022** can be paid at any time now and through April 15. The dues are 1% of the County &/or Township Assessor's annual salary for the County &/or Township Assessor. Each deputy and/or PTABOA member is \$40. In order for County Assessor's to vote on Association business you must be member in good standing, which is when dues are paid in full by April 15.

When remitting the check please include the name of the Assessor and the number of deputies and/or PTABOA members. This year I do not need to know the name of your deputies and PTABOA but rather just the number of deputies and PTABOA members the check reflects. Please send along with the check the correct mailing address in order to return the membership cards. This request will save me phone calls down the road.

(This change will enable the deputy and PTABOA membership cards to be interchangeable for conferences. In other words: if you pay for six deputy's or PTABOA members you will be able to have up to six people attend the conference. The Assessor is exempt from the interchange as the Assessor's dues are 1% of the salary. If you have questions please feel free to contact me).
Please send the check and other information requested to:

Indiana County Assessor Association (ICAA)
% Holly Van Der Aa
Pulaski County Assessor's Office

If you are a current member of the ICAA your registration fees are less for the Conferences the Assessor's Association hold.

Sincerely,
